

Downloading your e-prescription. A memo.

Downloading your e-prescription

- 1 — Log in to your account at esveikata.lt.

- 2 — Choose the appropriate login method, read the form for patients who are logging in to this portal and check the box acknowledging your acceptance thereof.

- 3 — Find the e-prescriptions (*Elektroniniai receptai*) tab on the landing page of your www.esveikata.lt account. Click on the appropriate ten-digit prescription number (highlighted in green in the screenshot below).

4

The pop-up e-prescription field will have a Download document (*Atsisiųsti dokumentą*) button on the top right (as indicated by the green arrow in the screenshot below) for you to click.

Elektroninis receptas
